

Dan Hyman

Industry Liaison Officer

Lowers & Associates International

Professional Summary

Dan Hyman is a proven leader with undeniable grit and determination. An articulate communicator and team member, Dan works tirelessly to deliver mission-focused results. A recent graduate of numerous leadership and technical-based courses, Dan is considered a subject matter expert and mentor by his peers and leadership alike. Throughout his military and law enforcement careers, Dan has amassed experience in investigations, surveillance operations, search/rescue, sniper training, and air mission command, among many other skills.

As Industry Liaison Officer at Lowers & Associates International, Dan builds relationships with industry and government, leading training programs to enrich the well-being of our clients. Through his experienced approach, Dan helps deliver clarity to complex governance, risk, and transparency challenges.
